TRANSMISSION COOLERS – HEAVY DUTY

- Light service – rated up to 10,000 lbs. 5" x 17" x 3/4".
 TC10ea 39.95
- Medium service – rated up to 16,000 lbs. 7 1/2" x 17" x 3/4".
 TC16ea 39.95
- Heavy service – rated up to 20,000 lbs. 10" x 17" x 3/4".
 TC18ea 49.95

A/T OIL COOLER
 100% aluminum construction with embossed plates sandwiched together to create one of the most efficient oil cooling devices available.

Equipped with threaded female pipe threads. Measures 11" x 4 1/2" x 1 1/2".
NOTE: Due to the custom nature of this installation, this cooler does not include a mounting kit, hose or fittings.

- Fits all vehicles with A/T and GVW of 13,000 to 16,000 lbs.
 70265ea 89.95

TRANSMISSION OIL PAN AND FILTER

Oil Pan
 Extra deep pan (3 1/2" deep) made from heavy aluminum. Kit includes deep pan, drain plug gasket, pipe plug, drain plug, filter extension, 3 machine screws, 3 nuts, 11 bolts, 11 flat washers, male connector, cover plate, O.D. flat washer, filter, pan gasket.

- '70 – '77 Maverick C4; '71 – '72 Comet C4.

SHIFT IMPROVER KIT

The easy way to get better performance from your automatic transmission: faster shifts, longer clutch and band life, better fuel economy, and cooler running temperatures. Choose between two performance types: heavy duty or street / strip. Takes just a few hand tools and a few hours to improve your transmission into the solidly-tuned unit you want. Kit includes a pan gasket, specialty separator plates, twist drill and step-by-step instructions.

'70 - '77 C4 50262kit 49.95

SHIFT LINKAGE REPAIR KIT

Includes 3 each of studs, nuts, washers and pins.

'71 - '76 '71 - '73 Maverick with 3-speed; '73 - '76 Maverick, all with M/T floor shift; '71 - '72 Comet, all with M/T.

Transmissions by Performance Automatic®

Since 1984, Performance Automatic, Inc., the leader in Ford transmissions and components, has been driven to provide the ultimate in racing transmissions, torque converters and related parts. Countless hours have been spent researching, developing and testing their products. Performance Automatic, Inc. has been an innovator and problem solver, and complete customer satisfaction is their main goal. Every part is backed by a staff whose knowledge and expertise are second to none.

The following transmissions come with detailed instructions. Please have year, model and engine size ready when ordering.

Typical C4 Transmission

SUPER STREETER C4 TRANSMISSIONS

Can withstand 450 horsepower and includes heavy duty clutches, pro shift servo, street / strip valve body, Kevlar® band and deep aluminum pan.

ONE-YEAR WARRANTY. You pay shipping costs; Performance Automatic® will do all warranty work.

Case fill. PA26101ea 1,300.00
Pan fill. PA26102ea 1,250.00

STREET SMART C4 TRANSMISSION

Similar to their street / strip unit, but it features a hardened input shaft, power planetary and aluminum pan for firm shifts. The package includes the transmission, dipstick and filler tube, 11" torque converter and Pro Fit bellhousing, making for problem-free installation.

LIFETIME WARRANTY, NON-TRANSFERABLE. You pay shipping costs and Performance Automatic® will do all warranty work.

Case fill. PASS26103ea 1,950.00

STREET SMART SMALL-BLOCK AOD TRANSMISSION

An excellent upgrade for your earlier-model Ford. This transmission has been dyno tested and features heavy duty clutches, wide band diode pack, street / strip valve body, chrome pan, HD 3-4 clutch pack, and a shift improvement kit. Package includes the AOD transmission, TV pressure cable, 2200-2400 stall converter, dipstick and filler tube. Rated up to 450 horsepower.

LIFETIME WARRANTY (NON-TRANSFERABLE).

PASS53103ea 2,395.00

ALL TRANSMISSIONS SHIP TRUCK FREIGHT AND COULD COST BETWEEN \$100.00 AND \$200.00+ DEPENDING UPON DESTINATION.

Transmission Performance Parts by Performance Automatic®

You can go to www.performanceautomatic.com and download video instructions or print instructions for many of the following parts.

C4 STREET / STRIP VALVE BODY

Designed for everyday driving and the occasional drag strip. Automatic shifts in the drive position and will hold first and second gear manually. Direct bolt-in with no other modification required.

'70 - '77 PA26302 ea 219.00

BLOCK PLATE

Has ventilation holes provided to ensure adequate air circulation. Made from .060 steel. A removable starter spacer provides for exact starter positioning to prevent starter kick out and flywheel damage on flywheel teeth.

289, 302, 351C M/T or A/T with C4, small bellhousing C6 or AODs equipped with 157- or 164-tooth flywheel.
 PA26445 ea 95.00

HARDENED INPUT SHAFT

Made of 4340 non-twist steel. Withstands an extremely fast rate shear load.

C4 with 26 spline.
 PA26405 ea 160.00

DEEP TRANSMISSION OIL PANS - ALUMINUM

Holds more fluid for more efficient cooling. The aluminum construction makes them stronger than stock steel pans, and promotes faster heat dissipation for further cooling of your transmission. Includes pan, gasket, drain plug and attaching hardware. 7" wide x 9" long x 4" deep with PA logo.

C4 case fill.
 PA26403 ea 120.00
C4 pan fill.
 PA26404 ea 135.00

TRANSMISSION DIPSTICK AND FILLER TUBES

Has a "no leak" hat seal and lock-top stick to prevent any fluid from coming out your dipstick tube when pressure builds.

Aluminum

Made from the highest-quality 6061 T6 aluminum, known for its strength, heat dissipation and weight reduction. The friction surface used is an incredibly strong 1050 steel and attached with military grade aerospace fasteners. The plates are milled to meet Fidanza's high specifications. The ring gears used

are also made from 1050 steel and are heat-treated for durability, then pressed on and secured with grade-8 button screws. Mates with any type of clutch material, including organic, Kevlar®, ceramic, metallic and sintered iron. SFI approved. Includes hardware and instructions.

'70 - '77 302.

FRONT SUSPENSION LOWER CROSSMEMBER

Improves your handling by giving you greater stability and more strength in the front end. Fits under your vehicle and bolts to the under-side of the frame rail, just behind the shock tower.

- '71 - '77 302.
 - D0DZ-5025Aea 79.95

SHOCKS (M) SEE DIAGRAM ON PAGE 58

NOTE: Shock absorbers contain compressed gasses and must be shipped using only ground services. No air shipments will be allowed.

Monroe-Matic Plus® Gas Shocks

Made in the USA

Combines exclusive position-sensitive pressure tube grooves with specially-tuned valving to improve the riding and handling characteristics of the vehicle. Adapts more rapidly to changing road and weight conditions.

'70 - '77	Front.		
		KY33059	ea 24.95
	Rear.		
		KY32103	ea 24.95

Max-Air® Gas Shocks

Made in the USA

Monroe Max Air® shock absorbers have large air chambers that inflate up to 150 PSI. Contains all-weather fluid that ensures smooth reaction for the 1/2" piston rod. Features sintered iron pistons

for durability and air fittings that resist air leakage. Includes mounting hardware and air line installation kit.

TIE ROD END DUST BOOTS - POLYURETHANE

Replace your tie rod dust boot without having to buy a new tie rod end. Made from high-quality black polyurethane, these new dust boots will help resist damage from rocks, sand, water, road salt, and oils by sealing the tie rod end to prevent loss of lubricants - the major cause of tie rod wear.

Measure the rod end per the diagram shown to find the closest fit.

'70 - '77	Dimension A = 3 1/64" or .472" or 12 mm.

Rebuilt Power Steering Components

**** Call our Rebuild Department to place an order and for any questions concerning rebuilds. ****

These premium remanufactured units carry a manufacturer's limited lifetime warranty against defects in material or workmanship for as long as you own your vehicle. We will repair or replace ANY remanufactured steering component found to be defective due to the failure of material or workmanship in our judgement. This warranty does NOT cover operator negligence, misuse, accidents, improper installation, changes in adjustments or disassembly.

Please allow 3 to 4 weeks plus shipping to rebuild the unit. Core fees are in addition to the price of the unit and are refundable in 3 to 4 weeks after receiving a rebuildable core.

*** ALL CORES MUST BE RETURNED COMPLETE WITHIN 60 DAYS TO RECEIVE A FULL REFUND ***

NOTE: There will be an additional cost for replacement parts, such as ball stud, end cap, worm gear, or sector shaft.

INTEGRAL POWER STEERING CONVERSION KITS

Upgrade your stock steering with these complete integral power steering conversion kits. Kits include all components necessary for conversion.

IMPORTANT INSTALLATION NOTES:

- Steering column must be shortened to fit conversion box.
- Steering column modifications can be extensive on column shift cars.
- Power conversion box will not fit with factory clutch linkage.
- Does not include instructions. We recommend an experienced person with the understanding of modifications to do this installation.

Manual-to-Power Kit

Upgrades manual steering to integral power steering. Kit includes integral power steering box, universal joint / rag joint, power steering pump kit (pump, mounting bracket, pulley), and hose kit.

FORD AOD TRANSMISSIONS: REBUILDING AND MODIFYING THE AOD, AODE AND 4R70W

By George Reid. A complete step-by-step rebuild manual demonstrating the complete process of removing the transmission from the vehicle, disassembly and cleaning, reassembly, installation, and road testing. This book is great for those who already have the AOD transmission and want to add performance modifications, or for those who want to replace their old C4 or C6 in their classic machines. Includes many color photos. Sftbd.

144 pgs. B251140 ea 24.95

FORD DIFFERENTIALS: HOW TO REBUILD THE 8.8 AND 9 INCH

By Joseph Palazzolo. Takes you through the process of identification, disassembly and assembly of the two most popular and best high-performance differentials on the market. After many miles and high-performance use, axle assemblies need to be rebuilt. Palazzolo guides you step by step in your rebuild project. He explains the work for limited slip and open differential disassembly, inspection, reassembly and final calibration. Includes lots of color photos, illustrations and charts. Sftbd.

144 pgs. B250389 ea 24.95

THE TASCA FORD LEGACY: WIN ON SUNDAY, SELL ON MONDAY!

By Bob McClurg, foreword by John Force. Tells the story of Bob Tasca, from his early beginnings through the growth of his car dealership, the performance years, and into more recent times. The Tasca Ford dealership became the company's premier dealership through innovative sales ideas and outstanding customer service. It also was a performance car dealer that created its own models which influenced Ford to follow through with later. This book is a great addition to the Ford fan's library. Includes many color and B&W photos. Hdbd.

FORD AT THE 1963-64 RACES

Great NASCAR action close-up with drivers such as A.J. Foyt, Fred Lorenzen, Junior Johnson, and Ned Jarrett. Thrill to "Tiny" Lund's amazing out-of-gas finish at the 1963 Daytona 500! Then it's off to the Indianapolis 500 with Team Lotus's Dan Gurney and Jimmy Clark. 1964 action covers races from Riverside to Daytona to the Monte Carlo Rally. Also includes footage of driver Curtis Turner and racing engineers discussing the new "Total Performance" engine and a tour of the hot rod and drag racing scenes. In color with sound. DVD.

60 minutes DVD119ea24.95

FORD AT THE 1965-66 RACES

Begins with the film *Shelby Goes Racing with Ford*, narrated by racing legend Carroll Shelby as he tells the story of his racing career and building of the Mustang GT350 and the Ford GT40. In the next film, 1965 NASCAR champ Ned Jarrett gives a tour of his shops and shows how he and his team build NASCAR winners. In color with sound. DVD.

60 minutes DVD117ea24.95

FORD WINS THE 1966-67 LE MANS

The story of Ford's challenge to Ferrari's dominance of Le Mans, France's 24-hour endurance race, begins in 1965 with Carroll Shelby in his Los Angeles shops designing the GT40 and follows through to decisive victory for teams McLaren / Amon, Miles / Hulmes, and Bucknum / Hutchinson in 1966. Then the GT40 returns to Le Mans in 1967 with Dan Gurney and A.J. Foyt driving to another victory and a new track record. Great coverage of the cars, the drivers, and all the action. In color. DVD.

54 minutes DVD116ea24.95

FORD AT THE 1968-69 RACES

Starts with the 1968 Ford film *No Margin for Error*, which features highlights of Ford at seven major races from Daytona to Indianapolis to Riverside. Mustang racing against Camaro in the Trans-Ams! Cale Yarborough's Cyclone wins the Daytona 500! Bobby Unser's Ford-powered racer winning the Indy 500! Lots of racing action! Also included is the 1969 film *Ford Flat Out*, which covers a wide variety of thrilling Ford racing – Mario Andretti and A.J. Foyt winning at Indy, more Mustang Trans-Am action, Mickey Thompson's Mach 1 funny car at Bristol, and more. Plus lots of NASCAR action, including Richard Petty's big win for Ford. In color with sound. DVD.

FORD LOGO GARAGE STOOL

This stool has chrome-plated legs and would be great for a garage, shop, store, game room or a work station. It also has a foot rest and a black seat featuring the blue Ford logo in white letters. Unassembled.

14" W x 29.5" H..... 4751R01ea 59.95

1721

1334

GORILLA® POWER LUG WRENCHES

Removes the tightest lug nuts with ease. Constructed from hardened steel, the telescoping handle extends to 21" for maximum leverage.

Standard Socket

Includes 2 dual sockets that fit virtually all standard lug nuts: 17 mm (3/4"), 21 mm (13/16"), 23 mm (7/8").. 1721ea 24.95

Thin Wall Socket

Includes a 3" extension and 2 thin wall sockets – 19 mm (3/4"), 21 mm (13/16") that work on both deep dish wheels and all recessed lug holes.

..... 1334ea 31.95

WINDOW MOULDING REMOVAL TOOL

Metal head with molded red plastic handle. Can be used on most Ford vehicles.

..... 2038ea 14.95

WINDSHIELD REMOVAL TOOL

This tool features a steel cable pull handle. It cuts the butyl adhesive caulking around windows with specially designed tempered steel blade.

..... WSR92065ea 24.95

BATTERY TENDER® PLUS

The Battery Tender® Plus is a 1.25 amp battery charger designed to fully charge and maintain a battery at a proper storage voltage without the damaging effects that trickle chargers may cause. Its "BTP" microchip technology applies the correct peak charge, then automatically maintains the battery at the perfect float voltage, which virtually eliminates battery-destroying sulfation! This results in a battery that is ready to go when you are and has an extended life. Features a powder coated aluminum chassis, built-in 72 hour timer that will protect a marginal battery from overcharging and is spark-proof. Works on lead-acid, sealed calcium, or gel batteries. Comes with a 10-year warranty

..... 0210128ea 74.95

BATTERY MAINTAINER

BY SCHUMACHER

Fully automatic with float-mode monitoring. Ideal for maintaining stored batteries. Keeps stored lead-acid batteries charged. Maintains the battery when fully charged and resumes continuous charging when battery becomes discharged. Features 6' power and output cords for a combined 12' reach.

1.5 amp. 6267ea 39.95

PRIORITY START

Maintain your starting power! When key is off, this device monitors, detects, and automatically disconnects any drain on the battery. Turn key to start and it automatically reconnects, starting safely from inside your vehicle. Fits any 12 volt

vehicle application PSIDP12ea 89.95

Chemicals and Adhesives

GAS TANK ETCH

Will remove light build-up of rust inside tanks and will etch the inside of the tank leaving a gray phosphate coating. An excellent prep for your tank before introducing gas tank sealer.

16 oz..... TE-01ea 19.95

ALCOHOL-RESISTANT GAS TANK SEALER

Stops rust, leaks and corrosion permanently. Resistant to all fuels, including the new Phase II oxygenated fuels. Heavily compounded with rust inhibitors. Permanently bonds to all-metal or fiberglass tanks. The only sealer on

the market approved for use in aircraft. Outsells all other sealers on the market combined.

Qt. GTS-05ea 34.95

GAS TANK REPAIR

Instant, 2-part putty. Unaffected by leaking gas. Sticks to tanks that are wet with gas. Hardens like steel in 2 to 4 hours.

0.7 oz..... GTR-1ea 4.95

GASOLINE PRESERVATIVE AND STABILIZER

The finest product on the market to prevent gum and varnish buildup in your fuel system. Primarily used to keep fuel fresh, it can also clean your fuel system, keeping injectors, needle valves, etc., free from contamination. For use in 2- or 4-cycle engines. One ounce of this product protects 3 gallons of gas or diesel fuel for 3 years. One quart will protect 96 gallons for 3 years.

Qt. FPS-01ea 19.95

QUIKSTEEL® STEEL-REINFORCED EPOXY PUTTY

A 2-part epoxy putty in one stick. Simply twist off the amount wanted and hand-knead to produce a repair material that's pliable, yet hardens in minutes for fast, permanent repairs. Bonds aggressively to metal and many other materials. After curing, QuikSteel® may be drilled, tapped, filed, or machined.

2 oz. PS2ea 4.95

SEAM SEALER

Premium quality, fast setting seam sealer with superior adhesion for interior and exterior applications (except windshields). Excellent sealer for quarter panel seams, trunk seams, wheelhouse seams, floor seams, cowl seams and door skins. Use with a cartridge applicator gun (caulking gun).

11 oz. cartridge..... AV1002ea 11.95

3M™ AUTO BEDDING & GLAZING COMPOUND – BLACK

Use for sealing auto body seams, between windshield rubber and the car body, and to attach door water shields. Remains permanently soft and pliable to absorb movement in the auto body. Non-hardening, water-resistant, medium bodied product. Cleans up with a dry cloth. Use with a cartridge applicator gun.

10 oz. cartridge 3M08509ea 15.95

WINDO-WELD™ SUPER FAST URETHANE – BLACK

This is a one-part, moisture-curing adhesive that bonds replacement auto glass to car bodies. Please read all label directions before using. Use with a cartridge applicator gun (caulking gun).

10.5 oz. cartridge..... 3M08609ea 22.95

HEAVY DRIP-CHEK SEALER – GRAY

Heavy rubber-based sealer specially designed for use on vertical seams. Weathers well, does not crack or deteriorate in sunlight. Excellent adhesion to metal, paint, glass, rubber, etc. Resists gas and oil.

5 oz. tube. 08531ea 10.95

CLEAR PLASTIC AND EMBLEM ADHESIVE

Excellent adhesive for plastic repair and emblem application. May be used for interior or exterior bonding. Used for bonding metal emblems, rigid plastic parts, taillight lenses and vinyl trim strips. Strong and quick drying. One surface application.

5 oz. tube. 08061ea 12.95

WEATHERSTRIP ADHESIVE

High-quality black adhesive. Strong, flexible and rubbery. Can withstand vibration and extreme temperature variations. It can be used to bond automotive weatherstripping and is a great adhesive for holding paper, cork or rubber gaskets in place during installation. Not recommended for windshield or back glass weatherstrip.

5 oz. tube 3M08008ea 6.95

HEADS UP™ ULTRAGRIP™ SUPER DUTY INTERIOR ADHESIVE

Designed for a variety of interior applications. Transparent and low odor, this spray adhesive is very effective when bonding to such surfaces as carpet, side panels and speaker boxes. Also bonds well to wood, fabric, paper and plastic. NOT designed for high temperature applications. Not recommended for headliner installation or repair. Contains no chlorinated solvents.

16.5 oz. aerosol..... HU98090ea 9.95

82019

3M08031

TRIM ADHESIVE

Recommended for installation of carpet, headliners, upper quarter trim panels, hood insulation, trunk mats, etc. Also recommended for repair of sunvisors or anywhere you need a good adhesive. Available in either aerosol or by the tube.

16 oz. aerosol..... 82019ea 9.95

Fast Tack 5 oz. tube 3M08031ea 12.95

BLACK STRIP-CALK

Soft, non-hardening caulking material in one-foot lengths for use in all types of seams, joints and openings. Easily thumbed into place and smoothed with finger. May be painted immediately. Has non-sag consistency for vertical and overhead applications. No shrinkage. Adheres to metal, paint, glass and rubber. Completely waterproof. Will not crack or dry out.

Box of 60 one-foot lengths..... 08578ea 19.95

NOTE: Aerosol products cannot be shipped via air.

Paints and Related

MIRACLE RUST REMOVER AND METAL PREP

The very best product on the market for removing rust. Not only will this liquid product safely and quickly remove rust, but it will leave a gray phosphate coating on the metal to provide an excellent base for painting and welding conductivity. Can be sprayed to areas from which it is normally impossible to remove rust. Etches aluminum, brass, copper and chrome plate to prep for painting. Removes nickel-plate, yet will not harm painted surfaces. Non-flammable, non-toxic, biodegradable. One-step process. Reuseable.

20 oz. spray RR-1000.....ea 19.95

PERMATEX® RUST TREATMENT

Destroys rust on contact. Provides one-step rust treatment that destroys old rust and prevents new rust. Just spray on. Within minutes, rust is replaced by a durable, black polymer coating that may be painted. Excellent protective primer. Can be used when temperature is between 50° F and 90° F (10° C and 32° C) and on surfaces which do not exceed 200° F (93° C).

10.25 oz. spray 81849ea 8.95

PLASTI-KOTE® ANTI-RUST PRIMERS

Offers optimal corrosion protection when used in combination with Plasti-Kote® anti-rust topcoat. Fast drying. Does not need to be sanded. Can be recoated any time. 12 oz. aerosol can.

Gray..... SP391ea 7.95
Black..... SP393ea 7.95

SP393

RP102

RP103

HI-TEMP EXHAUST MANIFOLD PAINT

This cast-iron gray paint is specially formulated to withstand temperatures up to 1,200° F. A must for exhaust manifolds, as it will keep it looking new for years or make old, rusty ones look factory fresh. Also looks great on headers.

12 oz. aerosol RP102ea 12.95

OEM DETAIL / CHASSIS PAINT

This black OEM detail / chassis paint has a semi-gloss finish and has a high pigment content for superior coverage.

12 oz. aerosol RP103ea 10.95

SUPER BLACK CHASSIS PAINT

The finest black chassis, undercarriage and under-hood paint made yet. Semi-gloss black finish. Withstood a 550-hour salt spray test with no visible breakdown. For spray or brush application. Absolutely unmatched by anything yet made.

16 oz. aerosol CHPT-01A.....ea 19.95

PLASTI-KOTE® ENGINE PRIMER

Resists temperatures up to 500° F (260° C). It chemically bonds to metal and will not burn off, chip, or peel. It is gasoline and oil resistant. Gray.

16 oz. aerosol SP228ea 6.95

SP205

215

PLASTI-KOTE® ENGINE PAINT

For use on valve covers and air cleaners. This enamel is highly resistant to oil and gasoline. Dries fast to a protective film that actually improves with age. When properly applied, will not crack, peel or flake off. Aerosol.

Cleaners

MIRROR GLAZE® VINYL & RUBBER CLEANER / CONDITIONER

A complex formula that cleans, penetrates and rejuvenates, vinyl and rubber surfaces. Durable protection that screens out damaging UV rays. Restores life and color. Leaves a rich, natural sheen, unlike the shiny synthetic coating of simple protectants.

16 oz. spray..... M4016ea 12.95

RAIN-X®

Seals, polishes and protects glass and plastic windshields. Makes water bead for aerodynamic runoff. Increases all-around visibility.

7 fl. oz. bottle..... RX712ea 5.95

PLASTX CLEAR PLASTIC CLEANER AND POLISH

This rich gel formula restores optical clarity to rigid and flexible clear plastics. Cutting edge advancements in Meguiar's® exclusive Microscopic Diminishing Abrasive® Technology (MDAT) remove light oxidation, chemical degradation, surface contaminations, stains and light surface scratches with ease.

Special highly water-resistant polymers provide long lasting durable protection to keep your clear plastics clear and beautiful longer.

10 oz. bottle..... G12310ea 9.95

Waxes and Polishes

EAGLE ONE® NEVR-DULL®

Wadding polish for cleaning and polishing all metals, including silver, gold, brass, copper, pewter, glass, steel, aluminum and chromium. Removes rust and corrosion instantly. Nevr-Dull® removes rust and tar from automobile and motorcycle chrome. Leaves no deposit

in the crevices of metal work. Excellent for mag and chrome wheels, boat fittings, workshop tools, fishing gear, sinks, showers and campers.

5 oz. 1035605ea 7.95

MIRROR GLAZE® SHOW CAR GLAZE

A pure polish that nourishes the paint for a dazzling, wet-look, show car shine. Safe and effective on all paint surfaces including clear coats. Does not build up with repeated use.

16 oz..... M0716ea 12.95

NXT GENERATION™ TECH WAX

Gives your vehicle a darker, richer, deeper and clearer shine than any other wax on the market. With new engineered synthetic polymers technology that bonds to your paint tougher to provide extreme protection. You will be amazed at how easily it glides on and off. This is a must

have if you are entering car shows, or just showing off.

18 oz. bottle G12718ea 17.95

PACIFIC COAST CAR DUSTER

Its cotton fiber dusting head, heat-treated with paraffin wax, will pick up dust and dirt from your vehicle. Safe on all surfaces. Just lightly sweep the duster over your vehicle. Reusable and can be occasionally hand washed.

Includes heavy duty plastic handle and vinyl storage bag.

NOTE: This is not a polishing tool. Excess pressure may cause paraffin deposits on vehicle's finish..... 93007ea 16.95

MICROFIBER CAR DUSTER

Super soft and will collect dust from most surfaces on cars, trucks, RVs, and boats. Features a sturdy plastic handle with a hand grip. It measures 25 inches overall in length and comes with a storage pouch. Safe to use on all surfaces.

..... 25616ea 19.95

CALIFORNIA™ CAR DUSTER

Removes dust and surface dirt with a quick once-over. The special baked-on paraffin wax-treated cotton fiber strands "lift" dust without scratching paint. 24" long with a durable plastic handle. Comes in a hard plastic, wall-mountable storage case.

..... 62439ea 24.95

WATERBLADE

2010

WATER BLADES

Patented T-bar edge whisks away water. Soft grade silicone blade will not scratch. Virtually eliminates messy towels and chamois. Dry your car or truck in one-third the time.

12" long, flexible handle WATERBLADEea 24.95

11" long, rigid handle.

Not sure of a term used here?

Check out the Glossary in the back of this catalog.

1/B OR 1/V – 1 barrel.

2 & 4 DOOR SEDAN – A car with a post at the door opening.

2/B OR 2/V – 2 barrel.

2WD OR 2WD – 2 wheel drive.

3/T OR 3/S/T – 3 speed transmission.

3 OR 4/S/T – 3 or 4 speed transmission.

4/T OR 4/S/T – 4 speed transmission.

A/C – Air Conditioner.

AFTERMARKET – Not original. Made after the marketing of vehicle.

ALT. – Alternator.

ANODIZED – Plated aluminum.

APRON – Inner panels under the hood.

A/T – Automatic Transmission.

A.T.C. – Automatic temperature control.

AUTOLITE – Ford's service division in the '70s.

BATTERY APRON – Front right-hand panel (passenger side) where the battery is mounted.

BELTLINE – Also known as fuzzies, anti-rattlers, dew wipes, window felts. Refers to the beltline (mid-section) of the vehicle.

BEZEL – Finish cover, rim or outer cover.

BRAKE PROPORTIONING VALVE – Used on front disc, rear brake cars. Not used on 4-wheel drum cars. Not to be confused with a distribution block.

B/W – Borg Warner.

C4, C5 AND / OR C6 – Types of automatic transmission.

CAMMER – an engine with an overhead camshaft (OHC)

CARB. – Carburetor.

CFM – Cubic Feet per Minute (of air).

CID – Cubic Inch Displacement.

C/M – Cruise-O-Matic automatic transmission.

COMPOSITE BRAKE DRUM – Cast metal inside with steel outside.

CONCOURS – Refers to judged car show where the car is judged as it would be seen new or as stock

CORE – The part you return in exchange for a new part. Core fees are in addition to the price of the new item. The core must be complete and rebuildable to receive full core credit. Parts missing from the core will be deducted from the core fee.

COUPE – Has no post at the door opening.

COWL – Area between the hood and windshield.

CYL. – Cylinder.

DIAM. OR DIAM. – Diameter.

DIAPHRAGM STYLE – Type of clutch cover that uses a shallow, cone-shaped spring disc to provide pressure to the plate.

DISTRIBUTION BLOCK – At the master cylinder. Brake lines are sent out to all 4 wheels.

DURA SPARK – electronic solid state ignition

EEC – Engine Electronic Control

EFI – Electronic Fuel Injection

EGR – Exhaust Gas Recirculation.

EM/RE – Emission Reduction.

EMS – Emissions.

ESCUTCHEON – A plate. Example: the cover behind a door handle.

EV/EM – Evaporative Emission.

EXH. – Exhaust.

FINNED BRAKE DRUM – Cast metal piece with fins.

F/M/S – Ford-O-Matic 2-speed transmission.

FROM SERIAL # – Refers to the number on the data plate after which a change was made in production. "TO SERIAL #" refers to a number on the data plate before which a change in production was made. Changes on the production line often occurred during a particular production year.

FULL CAST BRAKE DRUM – A full cast material without a steel layer.

GPD – Genuine Parts Distributors

GRABBER – Exterior styling package.

GT – Grand Touring.

GVW – Gross Vehicle Weight.

H/D – Heavy Duty.

HDC – Heavy Duty Cooling.

HEADER – The body panel in front of hood if applicable.

HI-PO – High Performance.

I.D. – Inside Diameter.

IMCO – Improved Combustion.

INSULATOR – Rubber or vinyl. As in engine insulator or motor mount.

I/P – Integral Power steering.

LEVER STYLE – Type of clutch cover that uses coil springs to provide pressure to the plate.

LH – Left Hand (driver's side).

MOULDINGS – NOT weatherstrip. Metal or plastic trim.

MOTORCRAFT – Ford's present-day service division.

M/S – Manual Steering.

M/T – Manual Transmission.

N.O.S. – New Old Stock.

O.D. – Outside Diameter.

OE or OEM – Original Equipment or Original Equipment Manufacturer.

OFFSET/BACKSPACING – Distance from the wheel mount to the outside rim.

PCV – Positive Crankcase Ventilation.

PHB-AC – transmission tag code (example)

PILLAR POST – The pillar at the front wind-shield.

PLENUM CHAMBER – Directs heated air to the defroster or passenger compartment.

P/S – Power Steering.

QUARTER – Rear fender.

QUARTER PILLAR – The pillar at the front of the rear quarter or at the rear of the door opening.

REQ. – Requires.

RH – Right Hand (passenger's side).

ROTUNDA – Ford's service division in the '60s.

S/C – Standard Cooling.

S.M.CO. – Specialty Motor Company.

SPREAD BORE – A carburetor that has a small primary venturi and a larger secondary venturi that provides fuel efficiency and greater acceleration.

S/T – Standard Transmission.

STD. – Standard.

TACH. – Tachometer.

T/E – Thermactor Emission.

TO SERIAL # – Refers to the number on the data plate before which a change was made in production. "FROM SERIAL #" refers to a number on the data plate after which a change in production was made. Changes on the production line often occurred during a particular production year.

UPHOLSTERY – NOT the complete seats. Refers to the outer covers only.

V/V – Variable Venturi

W/4/S – Warner 4-speed transmission.

WINDLACE – Vinyl or cloth trim at the door openings.

W/S – Windshield.

W/STRIP – Weatherstrip.

X/C or x/c – Extra Cooling.

!! WANTED !!

PHOTOS OF YOUR MAVERICKS & COMETS

Here is a way to get some money back from your restored Maverick or Comet!!
We need color pictures of our customers cars and trucks for inclusion in our catalogs, promotional items and our web site.

Here's what's in it for YOU!

a **\$25.00** gift certificate* for EACH photo we use on a cover

*to be used for a future purchase with us

*** What We Need From You ***

- Clear, color photos with good contrast, lighting, and pleasing backgrounds.
- Watch those shadows and light spots that wash out the color of the vehicle!! Overcast days are usually best for shooting outdoors.
- Try to choose a location away from objects that may reflect in the vehicle's finish.
- No individuals or animals should be in the photo.
- Stock or near-stock vehicles are preferred over heavily modified ones.
- Three-point (an angle with three sides of the vehicle visible) shots are preferred. Take a look at our covers for examples.
- Film photography is preferred over digital photographs.
- Please use a glossy photo finish.
- Please put vehicle info and owner contact info on the back of **each** photograph. Labels are preferred. If you do not have a label, leave the back blank.

PLEASE REMEMBER: Submitting a photo does not guarantee it will appear on a catalog cover. All cover photo submissions must go through a process of evaluation and approval before they are considered for a cover. All photos submitted become property of Auto Krafters, Inc. and will be kept on file unless the person submitting them requests that they be returned AND has included a self-addressed, stamped envelope for their return. Auto Krafters, Inc. is not responsible for photos lost in the mail. Photos we use, and issue credit for, will permanently become property of Auto Krafters, Inc. and will not be returned. \$25.00 credit memo will be issued ONLY if the photo is used on a catalog cover; no credit will be issued for simply submitting a photo. While we anticipate this program going on indefinitely, we do reserve the right to cancel this offer at any time without prior notice.

Any questions? Please call us toll-free at 1-800-228-7346 and ask for Catalog Production. Send photos and descriptive information of the vehicle (year, make, model, body style, etc.) and some info about the owner to:

- \$9.95 flat shipping fee on all orders. Some exceptions apply. (See **Note 1**)
- Priority Order Handling; shipped the same day on in-stock items for orders placed before 1 p.m. ET.
- 10% discount on Internet, phone and fax orders over \$100 (excluding shipping). Must have part number(s) ready before placing phone or fax orders. Special shipping rates may apply. (See **Note 1**)
- Liberal return policy on items in sellable condition. (See **Note 2**)
- Price match guarantee on any currently advertised competitors prices. (See **Note 3**)
- Program is available for continental USA shipments only.

Membership Rules

- You must have your Gold Card Club membership number on your order form or available when you call to receive membership benefits. If your number is not present, you will not receive the benefits. No retroactive benefits to orders placed before becoming a member.
- You will be notified of any price changes on items. Balances due must be paid before shipment is made. Please make sure you give us a daytime phone number and / or email address for immediate notification.
- Back-ordered items or drop shipments are not subject to priority handling.
- Discounts not available on weatherstrip kits, fiberglass parts, rebuilds and core fees, rechromed bumpers, batteries, wheels, disc brake conversion kits, suspension kits, leaf springs, replacement glass, N.O.S. parts, A/C kits, certain early '60s dash pads ('60-'64 Galaxie, '60-'63 Falcon, '61-'66 pickup), or '66-'67 Fairlane quarter panels.
- Discounts apply to classic Ford parts only (1979 and earlier).
- Free shipping not available outside the continental US.
- Auto Krafters reserves the right to choose the best shipping method.

Note 1: Excludes shipping on weatherstrip kits, batteries, A/C kits, wheels, disc brake conversion kits, suspension kits, leaf springs, replacement glass, oversized UPS orders, and truck shipments. Free shipping not available outside the continental US.

Note 2: Items are nonreturnable after installation. Sellable condition means that the item can be put back into stock for immediate resale. Electrical items are not returnable. Defective items will be replaced under warranty.

Note 3: Must be an equivalent quality part to receive matching price.

Auto Krafters reserves the right to modify this program without prior notice.

Need a current catalog? Sign up for membership in the Auto Krafters Gold Card Club and choose up to two of the catalogs below. We will send them to you at no charge by priority mail.

ORDERING INFORMATION

Order by Phone

It's fast and convenient! For best service have all catalog and credit card information ready, then call:

TOLL-FREE ORDER LINE 1-800-228-7346
FAX NUMBER 1-540-740-8011
LOCAL NUMBER 1-540-740-8000

A \$20 MINIMUM IS REQUIRED FOR ORDERS PLACED OVER THE PHONE. Mastercard, VISA, Discover and American Express are welcome. C.O.D. shipments are not available for any items.

Mail Orders

Fill out the order blank in the back of this catalog. For fastest delivery, send a money order or cashiers check. **Personal checks are accepted but will delay the order 7 days while the check clears the bank.** Mastercard, VISA, Discover and American Express are welcome. **A \$20 MINIMUM IS REQUIRED FOR ORDERS PLACED THROUGH THE MAIL.** Be sure to include card number, expiration date, billing address, and signature of cardholder.

Fax Orders

Accepted 24 hours daily. Mastercard, VISA, Discover and American Express. **A \$20.00 MINIMUM IS REQUIRED FOR ORDERS PLACED OVER THE FAX.** Fax number is 540-740-8011.

Warranty / Exchanges

All parts are guaranteed. **Please inspect the shipment as soon as you receive it.** If you have a problem with any purchase, please call one of our associates at 800-228-7346. Many times, application problems can be quickly handled by phone, saving needless shipping expense. Should you find it necessary to return anything, a copy of our return procedures is packed with your invoice. **All claims for shortages must be made within 48 hours. No shortage claims will be accepted after 48 hours. To better facilitate our handling of returned items, please call and obtain a return authorization number. All returns must be sent prepaid. C.O.D. returns will be refused. Returns older than 30 days are subject to a restock fee. Absolutely no returns after 120 days from date of purchase regardless of reason unless covered by an extended warranty.** We reserve the right to charge a restocking fee on certain items. Special orders are also subject to a restock fee. Auto Krafters, Inc.'s liability is limited to the replacement of the product or refund of the purchase price. Installation labor costs or shipping charges are not refunded. Electrical parts are non-returnable once installed. We will replace defective units only. **Our associates are available from 9:00-5:00 Monday-Friday ET.**

Warehouse Location

Auto Krafters, Inc.'s office and warehouse are located in New Market, Va., off Interstate 81 exit 264. Go east ½ mile. PO Box 1100 • 214 East Old Cross Road • New Market, VA 22844. Our local phone number is 540-740-8000. **Sorry no personal checks accepted for showroom purchases without prior authorization.**

Shipping Charges

In the continental United States, there is a **minimum shipping charge of \$10.95.** Most orders are shipped via UPS or FedEx. Please furnish a complete street address as UPS cannot deliver to a post office box number. **We reserve the right to ship extra heavy or oversize shipments freight collect.** Hoods, fenders and quarter panels fall in this category. If you have prepaid the shipping and the order has to be shipped freight collect, we will refund your prepaid shipping. If you have any question, please call us at 800-228-7346 for assistance. **Please check all truck shipments for damage before signing the bill of lading. Once truck shipments are signed for, no claims can be made for damage.** Some parts require additional handling charges. Fragile items, such as mouldings, will be shipped in PVC tubes and will incur a \$15 handling fee. All oversized items will incur a \$10 boxing fee and / or crate charges where applicable. Please inquire about additional handling charges when ordering.

Alaska, Hawaii, Puerto Rico and Canadian orders should add 20% estimated shipping and handling with a minimum of \$20.00. Other foreign countries should add 35% with a minimum of \$20.00. Any excess will be refunded. Canadian customers are responsible for all customs brokerage fees and duties.

Customer Satisfaction

Our goal is customer satisfaction and we strive to sell the highest quality parts at competitive prices. If you encounter a problem with your order, contact us immediately so that we may resolve the problem. We want your repeat business and the business of your friends and neighbors. Most orders are processed and shipped within 24 hours of receipt. If we should need to back order any items, they will be shipped as soon as possible unless you notify us otherwise. If you require your parts delivered by a specific date, please advise us when placing your order and we will do our best to accommodate your needs.

Back Ordered Items

Due to the difficulty of keeping some items in stock, an item you order may be put on back order for later delivery. Most back ordered items can be shipped in 21 days. If you do not receive your back ordered items within the time stated on your notification letter, please call us at 1-800-228-7346 for a revised delivery date.

Origin of Parts

We sell both Genuine Ford and quality reproduction parts acquired from many sources, both domestic and foreign. We will be happy to give you the country of origin of all our parts, if known. All Ford Trademark parts sold (such as emblems, etc.) are licensed by Ford Motor Company®. **The majority of the parts in this catalog are made in the USA, are reproductions of originals and are NOT Genuine Ford.** Auto Krafters is proud to offer reproduction parts and accessories from such manufacturers as Dennis Carpenter®, Auto Custom Carpet®, Jim Osborn Reproductions®, Drake Automotive Group® and many others.

NOTE: We are not responsible for typographical errors. Prices are subject to change without notification.

NOTE: Illustrations are typical and may not be representative of the part you are ordering.
